(a) The purpose of this Code section is to provide for the protection of children. It is intended that mandatory reporting will cause the protective services of the state to be brought to bear on the situation in an effort to prevent abuses, to protect and enhance the welfare of children, and to preserve family life wherever possible. This Code section shall be liberally construed so as to carry out the purposes thereof.

(b) As used in this Code section, the term:

(1) "Abortion" shall have the same meaning as set forth in Code Section 15-11-681.

(2) "Abused" means subjected to child abuse.

(3) "Child" means any person under 18 years of age.

(4) "Child abuse" means:

(A) Physical injury or death inflicted upon a child by a parent or caretaker thereof by other than accidental means; provided, however, that physical forms of discipline may

(A) Any act described by subsection (d) of Code Section 16-5-70;

(B) Any act described by Code Section 16-5-73;

(C) Any act described by subsection (l) of Code Section 40-6-391; or

(D) Prenatal abuse, as such term is defined in Code Section 15-11-2.

(7) "Pregnancy resource center" means an organization or facility that:

(A) Provides pregnancy counseling or information as its primary purpose, either for a fee or as a free service;

(B) Does not provide or refer for abortions;

(C) Does not provide or refer for FDA approved contraceptive drugs or devices; and

(D) Is not licensed or certified by the state or federal government to provide medical or health care services and is not otherwise bound to follow the federal Health Insurance Portability and Accountability Act of 1996, P.L. 104-191, or other state or federal laws relating to patient confidentiality.

(8) "Reproductive health care facility" means any office, clinic, or any other physical location that provides abortions, abortion counseling, abortion referrals, or gynecological care and services.

(9) "School" means any public or private pre-kindergarten, elementary school, secondary school, technical school, vocational school, college, university, or institution of postsecondary education.

(10) "Sexual abuse" means a person's employing, using, persuading, inducing, enticing, or coercing any minor who is not such person's spouse to engage in any act which involves:

(A) Sexual intercourse, including genital-genital, oral-genital, anal-genital, or oral-anal, whether between persons of the same or opposite sex;

(B) Bestiality;

(C) Masturbation;

(D) Lewd exhibition of the genitals or pubic area of any person;

(E) Flagellation or torture by or upon a person who is nude;

(F) Condition of being fettered, bound, or otherwise physically restrained on the part of a person who is nude;

(G) Physical contact in an act of apparent sexual stimulation or gratification with any person's clothed or unclothed genitals, pubic area, or buttocks or with a female's clothed or unclothed breasts;

(H) Defecation or urination for the purpose of sexual stimulation; or

(I) Penetration of the vagina or rectum by any object except when done as part of a recognized medical procedure.

Sexual abuse shall include consensual sex acts when the sex acts are between minors if any individual is less than 14 years of age; provided, however, that it shall not include consensual sex acts when the sex acts are between a minor and an adult who is not more than four years older than the minor. This provision shall not be deemed or construed to repeal any law concerning the age or capacity to consent.

(11) "Sexual exploitation" means conduct by any person who allows, permits, encourages, or requires a child to engage in:

(A) Prostitution, as defined in Code Section 16-6-9; or

(B) Sexually explicit conduct for the purpose of producing any visual or print medium depicting such conduct, as defined in Code Section 16-12-100.

(c)(1) The following persons having

as provided in this Code section:

(A) Physicians licensed to practice medicine, physician assistants, interns, or residents;

(B) Hospital or medical personnel;

(C) Dentists;

(D) Licensed psychologists and persons participating in internships to obtain licensing pursuant to Chapter 39 of Title 43;

(E) Podiatrists;

delegate thereof, and the person so notified shall report or cause a report to be made in accordance with this Code section. An employee or volunteer who makes a report to the person designated pursuant to this paragraph shall be deemed to have fully complied with this subsection. Under no circumstances shall any person in charge of such hospital, school, agency, or facility, or the designated delegate thereof, to whom such notification has been made exercise any control, restraint, or modification or make any other change to the information provided by the reporter, although each of the aforementioned persons may be consulted prior to the making of a report and may provide any additional, relevant, and necessary information when making the report.

(d) Any other person, other than one specified in subsection (c) of this Code section, who has reasonable cause to believe that suspected child abuse has occurred **may** report or cause reports to be made as provided in this Code section.

(e) With respect to reporting required by subsection (c) of this Code section, an oral report by telephone or other oral communication or a written report by electronic submission or facsimile shall be made immediately, but in no case later than 24 hours from the time there is reasonable cause to believe that suspected child abuse has occurred. When a report is being made by electronic submission or facsimile to the Division of Family and Children Services of the Department of Human Services, it shall be done in the manner specified by the division. Oral reports shall be followed by a later report in writing, if requested, to a child welfare agency providing protective services, as designated by the Division of Family and Children Services of the Department of Human Services, or, in the absence of such agency, to an appropriate police authority or district attorney. If a report of child abuse is made to the child welfare agency or independently discovered by the agency, and the agency has reasonable cause to believe such report is true or the report contains any allegation or evidence of child abuse, then the agency shall immediately notify the appropriate police authority or district attorney. Such reports shall contain the names and addresses of the child and the child's parents or caretakers, if known, the child's age, the nature and extent of the child's injuries, including any evidence of previous injuries, and any other information that the reporting person believes might be helpful in establishing the cause of the injuries and the identity of the perpetrator. Photographs of the child's injuries to be used as documentation in support of allegations by hospital employees or volunteers, physicians, law enforcement personnel, school officials, or employees or volunteers of legally mandated public or private child protective agencies may be taken without the permission of the child's parent or guardian. Such photographs shall be made available as soon as possible to the chief welfare agency providing protective services and to the appropriate police authority.

(f) Any person or persons, partnership, firm, corporation, association, hospital, or other entity participating in the making of a report or causing a report to be made to a child welfare agency providing protective services or to an appropriate police authority pursuant to this Code section or any other law or participating in any judicial proceeding

or any other proceeding resulting therefrom shall in so doing be immune from any civil or criminal liability that might otherwise be incurred or imposed, provided such participation pursuant to this Code section or any other law is made in good faith. Any person making a report, whether required by this Code section or not, shall be immune from liability as provided in this subsection.

(g) Suspected child abuse which is required to be reported by any person pursuant to this Code section shall be reported notwithstanding that the reasonable cause to believe such abuse has occurred or is occurring is based in whole or in part upon any communication to that person which is otherwise made privileged or confidential by law;

applicant, the application may be made to the Superior Court of Fulton County. The superior court to which an application is made shall not grant the application unless:

(A) The application includes a description of the proposed research project, including a specific statement of the information required, the purpose for which the project requires that information, and a methodology to assure the information is not arbitrarily sought;

(B) The applicant carries the burden of showing the legitimacy of the research project;
