

Area F Guidelines: Physician Assistant

Area F for majors within the Allied Health Professions consist of 18 hours of lower-division (1000- and 2000-level) courses related to the specific health professional program of study or be prerequisite to courses required in the major.

General Chemistry (Two course sequence with lab)*	8 hours
Organic Chemistry	4 hours
Microbiology	4 hours
Guided Electives such as histology, genetics, embryology, comparative vertebrate anatomy, or physics	2-10 hours
Total	18 hours

* Courses may be satisfied in institutional Areas A through E; in these cases, Guided Approved Electives (approved by the student's advisor) may be substituted into Area F.
