
Notes:

- x The PUBLISH (BORPSBPA) process that loads FIN journal data back to OneUSG Connect runs at 4 a.m., 8 a.m., 12 p.m., 4 p.m. and 8 p.m. OneUSG Connect journal data in all queries will be blank until that publish process completes after you journal generate.

- x Please be aware that Wednesdays and Fridays are Payroll, Time & Labor, Absence Management and Commitment Accounting processing days. These processes have a higher priority in the process monitor than other processes. Benefit Reconciliation processes may stay queued or “blocked” while the higher priority processes run, but will run in order submit 1cEj8.b 5 0 Td [(es)-1 oty processl euhtile

- x If your Benefit Reconciliation processes run to No Success/Error it may be that two or more processes were initiated simultaneously. Please try initiating your process again. If it runs to No Success/Error a second time submit a ticket to oneusgsupport@usg.edu for assistance.
