REVISED		

Policy Statement

Smoking of any material is prohibited in all enclosed areas of the University System of Georgia including hallways, elevators, offices, restrooms, seminar/meeting rooms, and all other spaces owned or leased by the University System of Georgia (USG). Smoking is also prohibited in any outside areas adjacent to a USG facility whose configuration to another physical circumstances allow smoke either to enter and affect the internal environment or to adversely affect the environment of those entering or exiting the facility.

In accordance with the Georgia Smokee Air Act of 2005, Title 31 Chapter A,2 his policy reinforces the agency's commitment to provide a safe and amicable workplace for all employees by protecting them from involuntary exposure to secondhand smoke. In establishing such guidelines, the University System of Georgia is aiming to preserve and improve the health, comfort, and environment of employees and any persons occupying our facilities.

Applicability

All employees, visitors, vendors, and contractors shall abide by the guidelines set forth in this policy.
