

OneUSG Connect | Careers

Recruiting and Onboarding Summary

Core Functionality
Careers Integrations
Readiness Kits
Project Approach
Benefits/Wins

Talent Acquisition Management Core Functionality

Talent Acquisition Manager is a complete, integrated system that enables organizations to effectively manage workforce acquisition across all employment categories. Whether you have a few resumes to fill hard-to-find positions or you have plenty of resumes but top candidates are scarce, Talent Acquisition Manager is ideally suited to meet your needs in any type

Candidate Gateway Core Functionality

Candidate Gateway enables applicants (internal and External) applicants to:

- Register
- Log in
- Search for jobs
- Apply for jobs
- Track application status
- Receive notifications
- Manage profile
- Upload resume
- View job details
- Communicate with recruiters
- Receive interview invitations
- Complete assessments
- Receive offers

Careers Core Functionality

Step 1

Current USG Applicant Tracking Systems

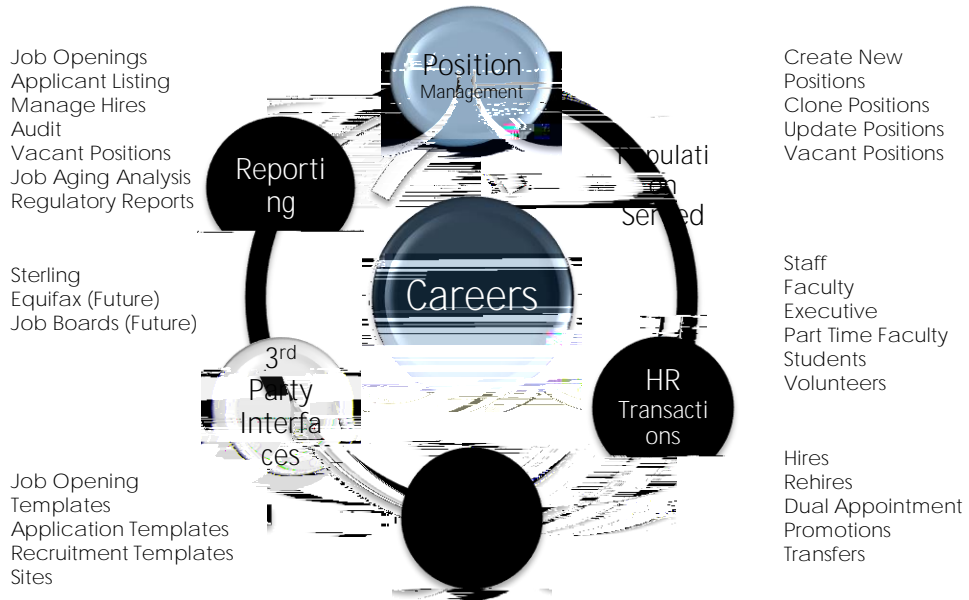

EOPLESOFT

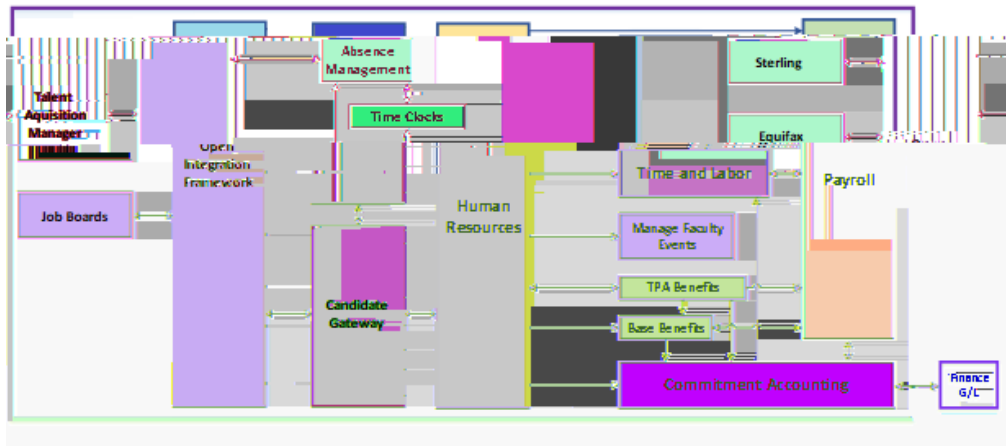

PI

MANUAL

Careers Building Blocks

High Level OneUSG Connect Integration

What's New?

Tenure and Promotion
Service history tracked
manually or in shadow system

Enrollment tenure clock
tracked manually or in a
shadow system

Tenure and Promotion
Service History recorded in
OneUSG Connect

What's New? (continued)

Faculty cannot add credentials, must be submitted and entered by MFE practitioner

Promotion & Tenure committee decisions are tracked manually or in a shadow system

Faculty can add credentials online (approval required) | Employee Self-Service (ESS)

What's Not Changing?

MFE module maintains
faculty data

Activity Distribution

PEOPLESOFT

PI

MFE module will continue to
be the source of faculty data
(rank, tenure, teaching CIP)

Effort percentages will still be
entered, but known as
Funding & Effort
