non-issue, as generally, only top tier research institutions encounter students with AP credit. For most of the institutions in the system very few students come seeking AP credit035Tigge 0 0 5081171 9 Trij 5000Tj 5040 500PTri 61Tiff 69200500505

to "assess program effectiveness", a definition of "program" is needed. Is a "program" physics, in general, or is a "program" Area F? The cF
